

Want to Be an Extra?

We are often asked to help fill needs for extras on film shoots in Barnesville-Lamar County at the last minute. We are not casting directors nor do we have anything to do with compensation nor other typical actor concerns. We are merely trying to facilitate a need when a producer or director calls us.

Please note upon completion of this form, we will likely ask you to send current photos via email. We will then forward your information to the appropriate decision maker with the film who would then share whatever details are associated with that shoot.

We will not guarantee a spot on any production, however, your assistance is appreciated. We will hold your information about 6 months when you may want to update your form and photos. We will not

share your information with anyone outside of a general request for extras.

Thank you for helping us out!
