Lamar County is a member of neighboring Joint Development Authorities and as such support the economic development programs of our neighbors and Georgia. Joint Authorities have been created to provide a additional state tax credits for locating in a community that is part of a joint authority.

We are a member of the [West Central Georgia Joint Development Authority](#) which includes Lamar, Pike and Upson Counties.

We are also members of a joint authority made up of Lamar, Butts, Spalding and Henry Counties along I-75.

Lamar County is also part of the I-75 Central Corridor Coalition, a marketing coalition to promote the counties from South Atlanta to Macon.

If you would like to have a broader search for properties in this region of Georgia, please contact [kathy.oxford \[at\] cityofbarnesville.com](mailto:kathy.oxford@cityofbarnesville.com) (subject: Regional%20Property%20Search) (Kathy Oxford.)
