

Barnesville is Camera Ready!

Huh? What's a Wind Gap?

Barnesville was most recently the base for the HBO production of Sharp Objects, a new television series based on the book of the same name by Gillian Flynn. Barnesville was transformed into the fictional town of Wind Gap, Missouri! Look for us On Demand by HBO! Join our [Wind Gap, Missouri](#) facebook page!

What Makes Barnesville a Good Film Production Location?

We believe the single point of contact and unique location images we have will help make production here easier than many communities.

Downtown area with angles adding dimension to shots, rail crossings, unique architecture, all within a few blocks.

Antique and Thrift Stores for finding Props

Hotel and Lodging Options in the Region

Local Catering and Dining Options

Available Office Space for Production Companies

Team effort with local resources offering a single point of contact for all production needs.

We have even developed a list of EXTRAs we can call on when you need a few extra people!

Best Practices for Filming in Barnesville

Encouraging film production is an economic development tool that Barnesville and Lamar County communities support. It provides temporary jobs for local residents and generates local revenue bolstering small businesses. One of Georgia's signature industries, motion picture production is an essential source of economic activity, tax revenue, jobs and tourism.

It is always important to balance the needs of a production company with the concerns of local government and the local community. The City of Barnesville and Lamar County believes in a balanced approach to protecting the safety of its citizens and providing a tremendous backdrop for productions of any kind.

If you are interested in locations within the Barnesville-Lamar County community, please fill out the Production Request form below and we will connect you to the appropriate jurisdiction for further action.

Marvel's The Falcon and the Winter Soldier

Barnesville and Lamar County's Film Credits include scenes anticipated in Marvel's The Falcon and the Winter Soldier. The Tag Team Production group came in November 2019 for about 5 days filming in Downtown Barnesville. It is now streaming on Disney+ (March, 2021)

The Mediator

In 2020, the pandemic all but shut down the film industry across the country but in August of 2020, "The Mediator" became Georgia's first film shot completely free of COVID cases. They chose Barnesville to shoot many locations because we are simply, easy to work with! It's an independent film currently available on Tubi TV streaming service. It has already won international acclaim. The Mediator is a mental health thriller with twists and turns.

Restaurant Impossible

In March 2021, Restaurant Impossible chose local restaurant Deraney's Two City Tavern for one of its new season locations on the east coast. This episode is expected to air in late June or early July starring Chef Robert Irvine.
